DRAFT, DELIBERATIVE

Colleagues in OST, OWM, OFA/OEJ, OGC:

Last week EPA received the attached controlled correspondence from local and national environmental and community groups recommending areas for EPA to focus in our review and concurrence on OSMRE final revisions to SMCRA regulations (i.e., Stream Protection Rule). OWOW was assigned the lead in responding and I have prepared the attached draft letter.

Please review the letters and let me know if you have any comments or suggested edits on the draft response letter.

I'll need any feedback you have to offer NLT noon Monday November 30. The control is due to OW IO for Joel's signature that same day.

Thanks for all your help!
